Supercalifragilisticexpialidocious
Even though the sound of it is something quite atrocious
If you say it loud enough, you'll always sound precocious
Supercalifragilisticexpialidocious

Um diddle diddle, diddle um, diddle ay x4

Because I was afraid to speak
When I was just a lad
Me father gave me nose a tweak
And told me I was bad
But then one day I learned a word
That saved me achin' nose
The biggest word you ever heard
And this is how it goes…

Oh!…Supercalifragilisticexpialidocious
Even though the sound of it is something quite atrocious
If you say it loud enough, you'll always sound precocious
Supercalifragilisticexpialidocious

Um diddle diddle, diddle um, diddle ay x4

He travelled all around the world
And everywhere he went

He'd use his word and all would say
There goes a clever gent
When Dukes and Maharajahs
Pass the time of day with me
I say me special word
And then they ask me out to tea…

Oh!... Supercalifragilisticexpialidocious
Even though the sound of it is something quite atrocious
If you say it loud enough, you'll always sound precocious
Supercalifragilisticexpialidocious

Um diddle diddle, diddle um, diddle ay x2

*(Then piano only – 'con voce' - Now, you can say it backwards, which is docious-ali-expi-listic-fragi-cali-rupus. But that's going a bit too far, don't you think?)*

So when the cat has got your tongue
There's no need to dismay
Just summon up this word
And then you've got a lot to say
But better use it carefully
Or it could change your life
One night I said it to me girl
And now me girl's my wife
*(Oh, and a lovely thing she's too)*

She's… Supercalifragilisticexpialidocious
Supercalifragilisticexpialidocious
Supercalifragilisticexpialidocious
Supercalifragilisticexpialidocious!
